# Run for the Kids

Join us for our 8th annual Run for the Kids at the beautiful Ross Dock Picnic Area in Fort Lee. The race course features gentle slopes and a towpath right along the Hudson River, as well as a scenic view of the George Washington Bridge and the New York City skyline.

Run for the Kids consists of four events: 5K run, 5K walk, 10K run, and the children's race. **Early registration price is \$30 for the 5K/10K and \$10 for the children's race.**

All proceeds will go towards empowering Teaneck students in need, making sure everyone has equal access to a quality public education. Our goal is to set every student up for success, whether it's having a backpack ready for the first day of school, or not worrying about meals on the weekends.

**10.12.19/9am** Registration begins at 8am
