

T. E. A. M. S.

TEANECK HIGH SCHOOL
100 Elizabeth Avenue Teaneck NJ 07666
(201) 833-5400

This is the application packet for admission to the *Teaneck High School Technology-Enriched Academy for Mathematics and Science* (T. E. A. M. S).
Deadline: December 23, 2011

The Teaneck High School T.E.A.M.S. is an Honors program aimed at:

- ...establishing a *smaller learning community*
- ...exploring *unique mathematics, science and computer science* topics
- ...using an *integrated* approach
- ...through an *intense* application of technology

The curriculum is challenging, rigorous, and technology-intense. In addition to regular course work, students are expected to participate in mathematics, science, and computer science competitions and contests regularly. Students will also be expected to complete projects each year as part of a high school portfolio of accomplishments.

To begin the admission process, fill out the attached application, give it to your guidance counselor, and give the two Teacher Recommendation Forms to teachers.

There are two pages for the student to fill out:

- Student Information
- Student Essay

There are three recommendations to give to teachers for them to fill out:

- **Print** your name on recommendations
- Give recommendation #1 to your current mathematics and give # 2 to your science teacher
- Give the other recommendation to another teacher of your choice
