

Dear Parents,

In order to provide the best possible communication between our district and your household, we request that you register on our website. Once registered, you should subscribe for E-Alerts at sites and sections you find relevant. Once subscribed, you will begin receiving emails when parts of the website to which you subscribed are updated. Here's how you register and subscribe for E-Alerts.

1. Navigate to the website. The address of the website is [www.teaneckschools.org](http://www.teaneckschools.org)

2. Click **Register** at the top right of the screen.

3. Enter your date of birth and click **Submit**.  
(You must be at least 13 years old in order to register.)

4. Complete the data fields in the registration form. At a minimum, you must complete the required fields of First Name, Last Name, Email Address, User Name, Password and Confirm Password fields.

All information that you enter is kept private and is available to only you and site administrators.

5. Click the **I agree to the Schoolwires Terms of Use** checkbox and click **Submit**. Click the link to review the Terms of Use. Note that the **Please send me E-Alerts for this site** checkbox is checked for you.

Sign in to the website by clicking the **Sign In** link in the message or clicking **Sign In** located at the top right of the screen.
