Elementary Offerings

Lacey Elementary School Summer Learning Lab

Location: Lacey Elementary School

Group: Incoming kindergarten students

Dates: July 3 to July 31, 2023
July 4th (No Classes)

Times: 8:30 AM to 12:45 PM

Description: Incoming Lacey School students will participate in literacy, mathematics and STEM activities as a transitional support from preschool to kindergarten.

Contact Name:

Lacey School Main Office
(201) 862-2508

Eligible families will be contacted by Lacey Elementary School directly.

Lowell Elementary School Summer Math & ELA Program

Location: Lowell Elementary School

Group: Incoming first through fourth grade students

Dates: June 26 to July 27, 2023

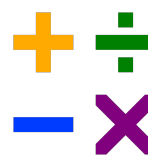

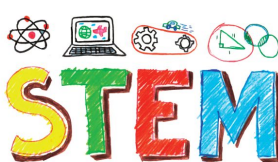

Times: 9:00 AM - 12:15 PM

Description: Lowell's Summer Mathematics & Language Arts Program is open to all incoming first through fourth graders attending Lowell Elementary School in September 2023. This program serves as academic support in the areas of language arts/literacy and mathematics, and English language acquisition. Technology will be used to support academic growth.

Contact Information:

Lowell School Main Office
(201) 833-5550

Program open to incoming Lowell Elementary School Students.

Elementary Offerings

Whittier Elementary School Summer Math & ELA Program

Location: Whittier Elementary School

Group: Incoming first through fourth grade students

Dates: July 6 to July 28, 2023

Times: 9:00AM - 12:00PM

Description: Whittier Elementary School's summer program is designed to serve as an academic support for incoming first through fourth grade students. This interdisciplinary program will focus on the areas of informational reading and writing, numerical fluency and hands-on science observation and phenomena-based instruction. Students will participate in theme-based, interdisciplinary units to improve academic achievement and deepen content knowledge.

Contact Information:

Whittier School Main Office
(201) 833-5535

Eligible families will be contacted by Whittier School directly.

Hawthorne Elementary School Summer Scholars Program

Location: Hawthorne Elementary School

Group: Incoming first through fourth grade students

Dates: July 5 to July 28, 2023

Times: 9:00AM - 12:00PM

Description: The Hawthorne Summer Scholars program will focus on mathematics and literacy opportunities based on identified standards. Students will also have an opportunity to learn about the intersection between exercise science and mathematics. Social emotional learning will be infused throughout the program.

Contact Information:

Hawthorne School Main Office
(201) 833-5540

Eligible families will be contacted by Hawthorne School directly.

Middle School Offerings

Science, Technology, Reading, Engineering, Art and Mathematics Benjamin Franklin MS & Thomas Jefferson MS

Location: Teaneck High School

Group: Incoming fifth grade students

Dates: July 6 to July 28, 2023

Times: 9:00 AM - 12:00 PM

Description: We are excited to offer our incoming 5th grade students the opportunity to explore Science and Engineering to solve Real-World Problems! The students will **Design**, **Construct**, and **Test** solutions to problems of animals cut off from their habitat by highways, keeping people safe in buildings during earthquakes, and communicating over a distance when you don't have a cell phone available. Students are encouraged to come and develop their engineering and science skills in this **STREAM** program that aligns with the **Next Generation Science Standards**.
