Dear Teaneck Parents/Guardians,

Per the email you received on Friday regarding the "All Remote Learning Option" form, please note that we have updated the July 29 Board Meeting presentation to include some additional information regarding what the "All Remote" program will look like for your child's education (see pages 44 and 45 – towards the end of the presentation). We have added this updated presentation to a **new tab on our district website (Re-opening Plan** - last option on the left hand side of the homepage) which will be the designated area to keep you informed of any update or changes pertaining to the opening of schools. You can also view by clicking here:
