June 18, 2019

Dear Teaneck Paraprofessional,

This letter is to inform you that on June 13, 2019, Teaneck Public Schools appointed Insight Workforce Solutions to manage our Paraprofessional Program. Insight is an educational service partner dedicated to providing highly qualified Paraprofessionals in the classroom. We are excited about this new partnership and pleased to be working with them.

At our request, Insight will contact you to extend an offer of employment at your current paraprofessional rate. In order to continue to work as a Paraprofessional in the district, you will need to be switched from ESS to an employee of Insight. They will provide you with the details, dates and times, for upcoming on-boarding sessions to meet with their staff and complete the transition to Insight. If you have already been hired by Insight, there is no need to re-apply. You are under no obligation to join Insight; however, you will no longer be able to work as a Paraprofessional in Teaneck Public Schools after September 1, 2019 until you complete the transition.

We appreciate your hard work and dedication to the students of our community and sincerely encourage you to continue that dedication as an employee of Insight. The district will work closely with Insight to ensure a smooth transition and their continued support to our students.

Should you have questions, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to be "C. Irving", written in a cursive style.
