

MENTAL HEALTH SERVICES PROGRAM

**for Elementary & Middle School Students and Their Families
November 19, 2020– June 30, 2021**

- Mental Health Services include access to licensed mental health care professionals. Students, their parents, and family members have the ability to receive these services at no cost
- No insurance necessary to take advantage of these services
- Sessions will be held via Google Meets

The goal of the program is to provide Mental Health Services to students and families as an extension of the school support services. If interested, please contact your child's School Counselor for a referral.
