**Sample Special Education Medicaid Initiative (SEMI) Action Plan**

In accordance with N.J.A.C. 6A:23A-5.3(f) and (g), failure to maximize SEMI, each district that has less than 90 percent participation of SEMI eligible students in the prebudget year or has failed to comply with all program requirements set forth in N.J.A.C. 6A:23A-5.3(e) shall submit a SEMI action plan to the Executive County Superintendent for review and approval as part of the district's proposed budget submission. Districts should determine which items below relate to their specific areas of weakness and then specify activities to be implemented to improve and maximize SEMI participation.

County: BERGEN

District: TEANECK - 03-5150

Date: February 2024

<b>Corrective Action Plan Table</b>					
<b>SEMI Action Plan Components</b>	<b>District Activities for Compliance</b>	<b>Person(s) Responsible</b>	<b>Projected Timelines</b>	<b>Documentation of Completion/Implementation</b>	<b>Date Completed</b>
<p><b>Establishing Benchmarks for Maximum SEMI Participation:</b> Establish a benchmark of x percent for the current school year or for the first year that the district does not have an approved waiver pursuant to the provisions of N.J.A.C. 6A:23A-5.3(b), whichever is applicable, for obtaining maximum participation of all SEMI eligible students by the start of the subsequent school year.</p> <p>The benchmarks for the current school year or for the first year that the district does not have an approved waiver pursuant to (b) above, whichever is applicable, for achieving maximum participation shall close, at a minimum, the gap between current participation and maximum participation by 50 percent by the beginning of the subsequent school year; and</p> <p>The benchmarks shall be based on the percentage of parental consent forms collected from eligible students. The number of parental consent forms shall reflect one parental consent form or one document noting parental refusal for each eligible student.</p>	<p>As per N.J.A.C 6A:23A-5.3(f), an action plan is required because 100% of budgeted revenue was not met. The FY 2023 SEMI program performance report showed 64% of revenue was achieved and triggered an action plan. In order to increase the maximum participation and increase the budgeted revenue, the following activities will take place: Ensure an accurate Medicaid-Eligible/Special Education Student count is reflected on the NJ SMART report. This will ensure that the projected reimbursement revenue is accurate and achievable.</p>	<p>Case Managers, SEMI Coordinator, and Directors of Special Services &amp; Nursing Services</p>	<p>Current/On-going</p>	<p>NJ SMART report must reveal an itemized reflection of the District's Special Education student count. Contact with PCG is current and ongoing. List of eligible students in and out of district will be maintained by the Caseworkers and Frontline IEP website. Contracts and information from outside consultants will be maintained by District Special Education Directors.</p>
