Proposal for: Teaneck Public Schools - State and Federal Reporting Support for 2023-2024 - TPS23-01

BACKGROUND

Teaneck Public Schools (TPS) is a culturally diverse district serving 3,800 students from pre-kindergarten through high school. Teaneck has eight schools - one preschool, one kindergarten school, three elementary schools (grades K-4), two middle schools (grades 5-8), and one high school (grades 9-12 and 18-21 program). This proposal will focus on improving the state and federal reporting process. The school district is looking for support to help their employees improve their auditing, collecting, and reporting process. This proposal has been prepared for and is submitted to Nicholas Veni, Director of Technology.

OVERVIEW

Velez Educational Services, LLC (VES) offers various services to school districts, including training and support for state and federal reporting. Both state and federal reporting are cyclical in nature. Consequently, the proposal covers a full year of training and support. The weekly level of involvement will vary based on the required work throughout the school year. A heavy focus is placed on data analysis and providing feedback and training to support staff in an effort to avoid errors that impact reporting and the daily use of the Student Information System (SIS). Virtual sessions will be conducted via Google Meet or Zoom, and when possible, the session can be recorded for future reference. Since most of the data that impacts the Fall state reports already exist, the focus will be on preparing for the next reporting cycle in June-July while auditing the Fall submissions.

A typical week will consist of a training session that will vary in duration based on the topic and the availability of the primary person who submits the reports. Most virtual sessions last one to two hours. The sessions will cover a topic of the week, review work from previous training sessions, and assign new work for the following week. Since employees across the district impact state and federal reports, we will also provide training and support for those who create the data. During a typical week, if the trainee needs assistance, they can call or email for additional support. Half or full day onsite training will be scheduled on a mutually agreed upon time to address projects and state reports.

HEALTHY WORKING CONDITIONS

Any on-site training and support must follow these requirements:

- The district is responsible for providing the appropriate meeting/workspace
- The district must be adhering to CDC, state and local guidelines as it relates to properly sanitizing areas prior to in person meetings
- The number of participants for any onsite work will not exceed the suggested capacity of training room based on current CDC, state and local guidelines
- If applicable, appropriate face coverings must be worn at all times when social distancing is not possible
- Frequent breaks must be provided to address individual comfort levels
- The selected meeting/workspace must have ventilation that is compliant with the latest requirements as set forth by state and local agencies; this includes adequate heating and cooling, as needed, to provide a comfortable environment for participants.

Given ongoing COVID-19 work restrictions, all work, with the exception of meetings that must be conducted in-person, will be completed via phone, email, and video conferencing. In the event in person work is required, all necessary precautions for the safety of all involved is required.

DELIVERABLES

District

The District will communicate with key stakeholders the importance of participating in training sessions. Supervisors are encouraged to participate in group training sessions so they can support the data creation process.

VES

- VES will provide an agenda, Google Meet or Zoom meeting link, and if possible, record sessions before each meeting. The meeting dates and times will be collaboratively built by an identified contact person for the District and VES. The district should also provide a shared drive for documentation and collaboration.
- VES encourages the primary district contact to schedule and facilitate the training sessions. This will ensure that VES does not undermine the TPS employee in the eyes of the data creation team. VES can attend or lead these sessions if requested.
- State-Federal Reporting Training:
 - Explain the necessity for weekly uploads of SID data to NJ SMART
 - Provide a broad understanding of compliance reporting
 - Provide understanding of dependencies among different reports

VELEZ EDUCATIONAL SERVICES, LLC

- Provide understanding of data element relationship and variance repercussions
- Provide an overview of data security, student privacy, and digital ethics
- Share techniques related to data audit and scrubbing
- Share relevant links and documentation for State and Federal Reporting
- Recommend how to manage the annual reporting timeline
- Explain how to collect and report data to state and federal agencies
- Share how to manage and share reporting data internally
- Explain how to effectively work with staff that create and manage data elements that impact State and Federal reporting
- Develop and maintain annual report repositories
- How to resolve conflicts with other schools districts when data conflicts arise
- Provide process for regular data audit and scrubbing to ensure good data
- Monitor state communications for changes on data reporting details and responsibilities
- State Reports
 - SID Management (due in October and June)
 - Collaborate with other employee on SMID Management (due in October and June)
 - Charter School Enrollment System (if applicable, review impact to snapshot)
 - CDS Information System (if applicable, required to reflect changes in district staff)
 - Gifted and Talented Service Report (if applicable, review impact to snapshot)
 - Fall and Spring Assessment Data Collection
 - State Responsible Homeless Tuition Reimbursement (opens May, due June)
 - School Register Summary (SRS) (due in June)
 - Student Safety Data System (if applicable, prepared in June, due in July)
 - Special Education Submission (due in October)
 - Evaluation Information System (if applicable, prepared in June, due in July)
 - Course Roster Submission-Student (prepared in June, due in July)
 - Course Roster Submission-Staff (prepared in June, due in July)
- Federal Reports
 - EEO-5 Data Collection (Fall every school year)
 - 2022 CRDC (We will start in 2023 but it will be due in the Winter of 2024)
 - NAEP (if applicable)

KEY REQUIREMENTS

- System administrator access to the SIS and NJ SMART

VELEZ EDUCATIONAL SERVICES, LLC

- Our ability to support a district with state and federal reporting is dependent on accurate student and employee data. Timely response to data requests from key stakeholders is essential to meeting reporting deadlines
- Copies of all documentation related to the current state and federal reporting process
- The district will maintain the ownership rights, licensing, and use of any materials or intellectual property created by VES during the length of the proposal
- VES states that to the best of our knowledge, any materials or intellectual property created are original and do not infringe upon the intellectual property rights of others.

WORK PARAMETERS & FEE

Based on the student population of the school District, Teaneck should budget **\$10,080** for the full year of support.

- **Meeting Platform:** All virtual presentations and meetings will be held on a platform of the District's choosing (Google Meet or Zoom, preferred).
- **Hourly Cost:** Off-site/remote days are charged at a rate of \$560/day. Minimum billing for off-site/remote work is in .25 hour increments at a rate of \$70/hour. On-site days are billed at a rate of \$640/day. Minimum billing for on-site days are 4-hours at a rate of \$80/hour, or \$320.
- **Billing and Payment:** It is suggested that a blanket PO be created for the selected proposal amount. This will ensure active engagement every week for the length of this contract. We will submit monthly invoices at the beginning of each month to the Business Office. These invoices will be submitted for payment in a timely manner, preferably within thirty (30) days but no later than sixty (60) days.
- **Dates and Work Hours:** This proposal covers the services outlined above, February 2023 to February 2024. Any on-site work will be conducted during school hours unless otherwise agreed upon by both parties. Off-site work will be conducted between the hours of 8 AM and 4 PM unless otherwise agreed upon by both parties. Emergency work outside the typical workday (8 AM and 4 PM), will be handled by Jaime Velez or other members of the VES team and billed at the rate of \$75/per hour in .25-hour increments. If the emergency is as a direct result of a mistake or error on the part of VES, the district will not incur a charge.
- **Scope of Work:** During the length of this contract, other issues may arise. We will report the issue as a future project for TPS to pursue or negotiate additional hours if the issue identified will impact the hours available in this proposal.
- **Contact and Communication:** All official communications will be directed to Jaime Velez, Partner at Velez Educational Services, LLC, through email, jaime@velezedu.com, from an

email address associated with TPS. Unless otherwise specified, Nicholas Veni, Director of Technology will be the primary contact for TPS.

- **Access to the District's Student Information System (SIS):** VES must have sufficient access to the district's SIS until the completion of the project.
- **Use of VES Associates:** Only Alice or Jaime Velez, partners for VES will attend meetings with the District and communicate with the district during this contract period. We do use other VES members for a variety of tasks. Alice and Jaime Velez will monitor the work completed by VES Associates.

ETHICS CLAUSE

VES will not knowingly violate any state or federal statute governing data privacy or security. In the event that there is a direct order to configure any system or provide access to confidential information that is a violation of any state or federal statute, the matter will be settled by following the procedure outlined in the Contract Conflict Resolution section. If the District insists that we violate any state or federal statute governing data privacy or security we hold the right to terminate this contract and the District is required to pay for all services performed up to the termination date.

CONTRACT CONFLICT RESOLUTION

Contract disputes that cannot be resolved through the normal course of doing business will result in arbitration. A neutral third party will serve as a judge who is responsible for resolving the dispute. The arbitrator listens as each side argues its case and presents relevant evidence, then renders a binding decision. Any aspect of the arbitration process can be negotiated but must be agreed by both parties. The arbitrator's decision cannot be appealed. However, either party can pursue litigation but must abide by the arbitrator's decision until a legal settlement is reached.

ACCEPTANCE OF PROPOSAL

Velez Educational Services, LLC will accept an email from an authorized representative of the District as acceptance of this proposal. However, a Purchase Order (PO) number must be received within 1-week of the receipt of the email and a copy of the PO must be received within 2-weeks. Failure to provide a PO within the requested time frame could result in the termination of the contract. TPS is responsible for payment for any hours worked during the timeframe of the email acceptance and the receipt of the PO. They are also responsible for payment for any hours worked during the timeframe of the email acceptance and the termination of the contract.

Computer Design & Integration LLC Sales Terms and Conditions

Terms and Conditions

The following Terms & Conditions apply to all orders and purchases, and any agreements resulting therefrom, of any products, licenses, or services from Computer Design & Integration LLC (hereafter "Seller"):

Confidentiality Provision

The information provided to you in this communication is regarded by Computer Design & Integration LLC to be Confidential and Proprietary information. This includes the description of the materials/products for sale, the prices quoted, and any description of consulting services to be performed by Computer Design & Integration LLC. This information shall not be disclosed or made available to any party unrelated to this agreement without our express written consent. You must also exercise reasonable care to protect this information from the unauthorized disclosure by others.

Payment Terms

Terms of payment are net 30 days from date of invoice, which date shall not precede the shipment of products or rendering of services unless the parties otherwise agree in writing. The payment terms set forth herein are subject to Buyer and Seller maintaining a mutually acceptable Credit Arrangement. Seller may assess interest on amounts not paid within thirty (30) days of the invoice date at the maximum rate allowed by law or 1.5% per month, whichever is less. Further, any returned checks will incur a \$25.00 fee. Seller may, at its discretion, engage third parties to assist in the collection of past due accounts. If such event occurs, Buyer agrees to be solely responsible for all costs associated with the third-party collection efforts, including reasonable attorney's fees. In the event that you lease the Product through a third-party leasing agent, we must be informed of this prior to shipment. Our standard payment terms must be met by your leasing agent or be subject to the aforementioned interest penalty to be paid by you.

Taxes

Any tax imposed by federal, state or other governmental authority on the sale of the merchandise and/or services referred to in this quotation shall be paid by the Buyer, in addition to the quoted prices.

Freight Terms, Delivery, Title To and Risk of Loss

Unless otherwise agreed to by the parties, merchandise shall be shipped FOB shipping point (placement of Product with a common carrier or licensed trucker). In the event Buyer requests the shipment of merchandise not in accordance with our standard freight policy, Buyer shall be responsible for all costs of freight and handling.

Title to any merchandise sold and the risk of loss with respect to such merchandise for any damages shall pass to the Buyer upon CDI's placing same in the custody of a common carrier for shipment to the Buyer.

Warranty Limitation and Exclusions

Except for the warranty that the goods are made in a workmanlike manner and in accordance with the specifications supplied or agreed to by buyer in writing, buyer hereby waives all other conditions, representations and warranties, express or implied by statute, usage, custom of the trade or otherwise, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. Notwithstanding any other prior statement, written or oral, seller makes no other warranties regarding the quality of its products or the materials and services provided to buyer under this agreement. Without limiting the generality of the foregoing, seller expressly disclaims any warranties of durability, that the licensed software program will meet all of the buyer's needs or that the operation of the goods will be error free.

Damages and Limitation of Liability

In no event shall Seller be liable to Buyer for any indirect, special, incidental, consequential or punitive damages for any occurrence related to this Agreement, whether or not such damages were foreseeable, or Seller had been advised of the possibility of such damages. This limitation includes, but is not limited to, the following: loss of profits; loss of buyer goodwill; attorney's fees; damage to business relations; loss of use of equipment; cost of substituted facilities or services; claims by buyer's customers; and damages for any other economic losses or property damage arising from or related to any act or omission by seller. Seller's total liability shall not exceed the lesser of the sum of \$10,000 or the amount paid to seller under the agreement during the twelve (12) month period immediately preceding the occurrence of any damage or loss. Any action by buyer arising out of or in any way related to this agreement must be brought by buyer within two (2) years from the date on which the cause of action accrues.

Force Majeure

Neither party shall be liable to the other for the failure to perform their respective obligations under this Agreement due to fire, flood, strikes, or any other industrial or manufacturing disturbances, accidents, war, riot, insurrection, or other causes beyond the reasonable control of the parties.

Limitation of Employment

Buyer agrees that during the term of this agreement, and for an additional period of one (1) year, buyer shall not directly or indirectly offer employment to, employ, seek the counsel of, or contract with any seller's employees. This provision shall be construed by the parties as a covenant independent of any other term or condition contained in this agreement. In the event that buyer violates this independent covenant between the parties, buyer shall pay seller for each violation a fee equal to one year of salary for the employee in question.

Governing Law

The parties agree that this agreement will be construed and interpreted in accordance with the laws of the State of New Jersey, including provisions of Chapter 2 of the New Jersey Uniform Commercial Code. The parties also acknowledge that the transaction that is the subject matter of this agreement bears a reasonable relation to the State of New Jersey, and that any dispute arising hereunder shall be decided in the state or federal courts located in the State of New Jersey.

Computer Design & Integration LLC Sales Terms and Conditions

Terms and Conditions

The following Terms & Conditions apply to all orders and purchases, and any agreements resulting therefrom, of any products, licenses, or services from Computer Design & Integration LLC (hereafter "Seller"):

Confidentiality Provision

The information provided to you in this communication is regarded by Computer Design & Integration LLC to be Confidential and Proprietary information. This includes the description of the materials/products for sale, the prices quoted, and any description of consulting services to be performed by Computer Design & Integration LLC. This information shall not be disclosed or made available to any party unrelated to this agreement without our express written consent. You must also exercise reasonable care to protect this information from the unauthorized disclosure by others.

Payment Terms

Terms of payment are net 30 days from date of invoice, which date shall not precede the shipment of products or rendering of services unless the parties otherwise agree in writing. The payment terms set forth herein are subject to Buyer and Seller maintaining a mutually acceptable Credit Arrangement. Seller may assess interest on amounts not paid within thirty (30) days of the invoice date at the maximum rate allowed by law or 1.5% per month, whichever is less. Further, any returned checks will incur a \$25.00 fee. Seller may, at its discretion, engage third parties to assist in the collection of past due accounts. If such event occurs, Buyer agrees to be solely responsible for all costs associated with the third-party collection efforts, including reasonable attorney's fees. In the event that you lease the Product through a third-party leasing agent, we must be informed of this prior to shipment. Our standard payment terms must be met by your leasing agent or be subject to the aforementioned interest penalty to be paid by you.

Taxes

Any tax imposed by federal, state or other governmental authority on the sale of the merchandise and/or services referred to in this quotation shall be paid by the Buyer, in addition to the quoted prices.

Freight Terms, Delivery, Title To and Risk of Loss

Unless otherwise agreed to by the parties, merchandise shall be shipped FOB shipping point (placement of Product with a common carrier or licensed trucker). In the event Buyer requests the shipment of merchandise not in accordance with our standard freight policy, Buyer shall be responsible for all costs of freight and handling.

Title to any merchandise sold and the risk of loss with respect to such merchandise for any damages shall pass to the Buyer upon CDI's placing same in the custody of a common carrier for shipment to the Buyer.

Warranty Limitation and Exclusions

Except for the warranty that the goods are made in a workmanlike manner and in accordance with the specifications supplied or agreed to by buyer in writing, buyer hereby waives all other conditions, representations and warranties, express or implied by statute, usage, custom of the trade or otherwise, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. Notwithstanding any other prior statement, written or oral, seller makes no other warranties regarding the quality of its products or the materials and services provided to buyer under this agreement. Without limiting the generality of the foregoing, seller expressly disclaims any warranties of durability, that the licensed software program will meet all of the buyer's needs or that the operation of the goods will be error free.

Damages and Limitation of Liability

In no event shall Seller be liable to Buyer for any indirect, special, incidental, consequential or punitive damages for any occurrence related to this Agreement, whether or not such damages were foreseeable, or Seller had been advised of the possibility of such damages. This limitation includes, but is not limited to, the following: loss of profits; loss of buyer goodwill; attorney's fees; damage to business relations; loss of use of equipment; cost of substituted facilities or services; claims by buyer's customers; and damages for any other economic losses or property damage arising from or related to any act or omission by seller. Seller's total liability shall not exceed the lesser of the sum of \$10,000 or the amount paid to seller under the agreement during the twelve (12) month period immediately preceding the occurrence of any damage or loss. Any action by buyer arising out of or in any way related to this agreement must be brought by buyer within two (2) years from the date on which the cause of action accrues.

Force Majeure

Neither party shall be liable to the other for the failure to perform their respective obligations under this Agreement due to fire, flood, strikes, or any other industrial or manufacturing disturbances, accidents, war, riot, insurrection, or other causes beyond the reasonable control of the parties.

Limitation of Employment

Buyer agrees that during the term of this agreement, and for an additional period of one (1) year, buyer shall not directly or indirectly offer employment to, employ, seek the counsel of, or contract with any seller's employees. This provision shall be construed by the parties as a covenant independent of any other term or condition contained in this agreement. In the event that buyer violates this independent covenant between the parties, buyer shall pay seller for each violation a fee equal to one year of salary for the employee in question.

Governing Law

The parties agree that this agreement will be construed and interpreted in accordance with the laws of the State of New Jersey, including provisions of Chapter 2 of the New Jersey Uniform Commercial Code. The parties also acknowledge that the transaction that is the subject matter of this agreement bears a reasonable relation to the State of New Jersey, and that any dispute arising hereunder shall be decided in the state or federal courts located in the State of New Jersey.
