**Teaneck Public Schools to Receive \$15,000 Donation for Academic Initiatives**

Teaneck Public Schools is thrilled to announce that it will receive a generous \$15,000 donation from The Teaneck Organization for Public Schools (TOPS). The donation will be allocated towards funding classroom libraries to support academic initiatives within the district. This exciting contribution will make a significant impact on the education and future of our scholars.

The check donation event, marking this important milestone, is scheduled to take place on October 18, 2023, at 8:00 pm, during the Board of Education meeting to be held at Teaneck High School's Cheryl Miller-Porter Student Center. This event will provide an opportunity for school officials, members of the community, and TOPS representatives to come together and celebrate the support for Teaneck Public Schools.

The \$15,000 donation from TOPS will be utilized to support our *Teaneck Advantage*. With these funds, the district plans to enhance classroom libraries by diversifying reading selections to promote language immersion and internationalism through International Baccalaureate World and Medical Magnet Schools. The donation will provide students with valuable opportunities for global learning and personal growth.

Teaneck Public Schools is grateful to TOPS for their generous support. This donation will directly benefit our students and contribute to their overall educational experience. By investing in academic initiatives, we are ensuring that our students have access to the resources and programs they need to succeed. We extend our heartfelt thanks to TOPS for their ongoing commitment to the success and advancement of Teaneck Public Schools.

For more information about the donation and academic initiatives at Teaneck Public Schools, please contact the district's communications office at 201-833-5498 or email us at [cle@teaneckschools.org](mailto:cle@teaneckschools.org).
