We are currently conducting a survey about our district web site as part of a project to improve the way we provide information to the school community and beyond. I invite everyone to visit <a href="www.teaneckschools.org">www.teaneckschools.org</a> and complete the survey, which is found on the right side of the page in the Announcements section. We have had a decent response from teachers, parents, students, and some community members so far. The survey will close on January 31, 2017.
