Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without a written lease,

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.b. if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.d. if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school district free of charge:

2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

If the district of residence cannot be determined according to the criteria contained in N.J.S.A. 18A:7B-12; if the criteria contained in N.J.S.A. 18A:7B-12 identify a district of residence out of the State; or if the child has resided in a domestic violence shelter, homeless shelter, or transitional living facility located outside of the district of residence for more than one year, the State shall assume fiscal responsibility for the tuition of the child in accordance with N.J.S.A. 18A:7B-12.d.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:22-3.3(b)1., immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

In the case of a dispute between the school district and the parent of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1.3. The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.

Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student", does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2 Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition, for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Education of Homeless Children

5116 EDUCATION OF HOMELESS CHILDREN

The Board of Education will admit and enroll homeless children in accordance with Federal and State laws and New Jersey Administrative Code. The Board of Education adopts this Policy to be in compliance with law and administrative code to ensure the enrollment of homeless children in school and to respond to appeals made by parents or other parties related to the enrollment of homeless children.

The Board of Education shall determine that a child is homeless when he or she resides in a publicly or privately operated shelter designed to provide temporary living accommodations, including: hotels or motels; congregate shelters, including domestic violence and runaway shelters; transitional housing; and homes for adolescent mothers. A child is also determined homeless when he or she resides in a public or private place not designated for or ordinarily used as a regular sleeping accommodation, including: cars or other vehicles including mobile homes; tents or other temporary shelters; parks; abandoned buildings; bus or train stations; temporary shelters provided to migrant workers and their children on farm sites; and the residence of relatives or friends where the homeless child resides out of necessity because his or her family lacks a regular or permanent residence of its own. A child is also determined homeless when he or she resides in substandard housing.

The school district of residence for a homeless child is responsible for the education of the child and shall assume all responsibilities as required in N.J.A.C. 6A:17-2.3. The school district of residence for a homeless child means the school district in which the parent of a homeless child resided prior to becoming homeless.

The school district liaison designated by the Superintendent of Schools for the education of homeless children is _____. The liaison will facilitate communication and cooperation between the school district of residence and the school district where the homeless child resides and shall assume all responsibilities as outlined in N.J.A.C. 6A:17-2.4(a).

When a homeless child resides in a school district, the school district liaison shall notify the liaison of the school district of residence within twenty-four hours of receiving notification from the parent, the Department of Human Services or the Department of Children and Families, a shelter director, an involved agency, or a

case manager. Upon notification of the need for enrollment of a homeless child, the liaison in the school district of residence shall coordinate enrollment procedures immediately based upon the best interest of the child pursuant to N.J.A.C. 6A:17-2.5(b).

The Superintendent of the school district of residence or designee shall decide in which school district the homeless child shall be enrolled in accordance with the provisions of N.J.A.C. 6A:17-2.5.

Unless parental rights have been terminated by a court of competent jurisdiction, the parent retains all rights under N.J.A.C. 6A:17-2.1 et seq.

When a dispute occurs regarding the determination of homelessness or the determination of the school district of enrollment made by the school district of residence, the Superintendent(s) or the designee(s) of the involved district(s) or the child's parent(s) shall immediately notify the Executive County Superintendent of Schools, who, in consultation with the Department of Education's McKinney-Vento Homeless Education Coordinator or designee, shall immediately decide the child's status. If a dispute remains between the parent and the involved school district(s) following the Executive County Superintendent's determination, the parent or the involved district Board(s) of Education may appeal to the Commissioner of Education for determination pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

When a school district designated as the school district of residence disputes its designation as the school district of residence, or where no designation can be agreed upon by the involved school districts, the Superintendent(s) or designee(s) of the involved school districts shall immediately notify the Executive County Superintendent of Schools, who shall immediately make a determination, if possible, but no later than within forty-eight hours.

If the dispute regarding determination of district of residence does not involve the determination of homelessness and/or district enrollment, the school district disputing the Executive County Superintendent's determination may appeal to the Department of Education pursuant to N.J.A.C. 6A:23A-19.2(d), (e), and (f) and request a determination from the Division of Administration and Finance. If an appeal of a determination of district of residence also includes an appeal of the determination of homelessness and/or school district of enrollment, the appeal shall be submitted to the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

Disputes and appeals involving the services provided to a homeless child with a disability shall be made pursuant to N.J.A.C. 6A:14.

Financial responsibility, including the payment of tuition for the homeless child, will be in accordance with N.J.A.C. 6A:17-2.8. The school district of residence shall list the child on its annual Application for State School Aid (ASSA) pursuant to N.J.S.A. 18A:7F-33 until the parent establishes a permanent residence or is deemed domiciled in another jurisdiction pursuant to N.J.S.A. 18A:38-1.d. The Board of Education recognizes a student may forget to bring breakfast or lunch (meal), as applicable, or money to purchase a meal to school on a school day. In this circumstance, the food service program will provide the student a meal and will inform the Principal or designee. The Principal or designee will contact the student's parent to provide notice of an outstanding meal bill and will provide the parent with a period of ten school days to pay the amount due. If the student's parent has not made full payment by the end of the ten school days, the Principal or designee shall again contact the parent with a second notice informing the parent of any action to be taken by the school district in response to a student's school breakfast or school lunch bill being in arrears. 2. Require a student who cannot pay for a school meal or whose school meal bill is in arrears to do chores or other work to pay for the school meal; or

- 1. Determine if the student is eligible for a free or reduced-price school meal;
- 2. Make at least two attempts, not including the application or instructions provided to the parent each school year pursuant to N.J.S.A. 18A:33-21b.; to contact the student's parent and have the parent fill out an application for the school lunch program and school breakfast program; and
- 3. Contact the student's parent to offer assistance with the application for the school lunch and school breakfast program; determine if there are other issues within the household that have caused the child to have insufficient funds to purchase a school breakfast or school lunch; and offer any other appropriate assistance.

The school district shall direct communications about a student's school meal bill being in arrears to the parent and not the student. The school district's contact with the parent may be via email or telephone call. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

If the student's meal bill is in arrears, but the student has the money to purchase a meal on a subsequent school day, the student will be provided a meal with payment and the food service program will not use the student's payment to repay previously unpaid charges if the student intended to use the money to purchase that school day's meal.

Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

Students receiving free meals will not be denied a meal even if they accrued a negative balance from other purchases in the cafeteria.

6115.03 FEDERAL AWARDS/FUNDS INTERNAL CONTROLS – CONFLICT OF INTEREST

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (UGG), 2 CFR §200.318 – General Procurement Standards addresses standards of conduct covering conflict of interest and governs the actions of school district employees, officers, and agents in the selection, award, and administration of contracts supported by a Federal award.

The Board of Education must use its own documented procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to the applicable Federal law and the standards identified in 2 CFR §200.

The Board of Education must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

The Board of Education must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts supported by a Federal award.

1. No employee, officer, or agent of the Board of Education may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest.
 - a. Such a conflict of interest would arise when a Board of Education employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
2. The Board of Education officers, employees, and agents must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

3. However, a Board of Education may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.
4. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity.

The Board of Education's procedures must avoid acquisition of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal government, the Board of Education is encouraged to enter into State and local intergovernmental agreements or inter-entity agreements where appropriate for procurement of use of common or shared goods and services.

The Board of Education is encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

The Board of Education is encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

The Board of Education must award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources. (See also 2 CFR §200.213 – Suspension and Debarment).

Federal Awards/Funds Internal Controls –
Conflict of Interest

The Board of Education must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

The Board of Education may use a time and materials type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. Time and materials type contract means a contract whose cost to a Board of Education is the sum of:

1. The actual cost of materials; and
2. Direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

Since the time and material formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, each contract must set a ceiling price that the contractor exceeds at its own risk. Further, the Board of Education awarding such a contract must assert a high degree of oversight in order to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

The Board of Education alone must be responsible, in accordance with good administrative practice and sound business judgement, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the Board of Education of any contractual responsibilities under its contracts. The Federal awarding agency will not substitute its judgement for that of the Board of Education unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

The Board of Education and its employees shall be required to comply with all New Jersey statutes and administrative codes regarding school ethics and internal controls.

The Road Forward COVID-19 – Health and Safety

M

1648.11 THE ROAD FORWARD COVID-19 – HEALTH AND SAFETY

The Board of Education plans to provide full-day, full-time, in-person instruction and operations for the 2021-2022 school year. In June 2021, the New Jersey Department of Health (NJDOH) and the New Jersey Department of Education (NJDOE) worked collaboratively to develop guidance, The Road Forward – Health and Safety Guidance for the 2021-2022 School Year (The Road Forward).

The Road Forward replaces the mandatory anticipated minimum standards outlined in the NJDOE's "The Road Back – Restart and Recovery Plan for Education" (June 2020) and provides a range of recommendations rather than mandatory standards. These recommendations are meant to assist school districts in implementing protocols to reduce risks to students and staff from COVID-19 while still allowing for full-time learning.

The Board considered many factors as they prepared for the 2021-2022 school year, including the level of COVID-19 transmission in the community at large and in the school community, as well as vaccination coverage rates in both the community at large and the school community.

For the purpose of this Policy, "Order" shall mean any Governor of New Jersey Executive Order, New Jersey State Agency mandate, Centers for Disease Control and Prevention (CDC) guidance, New Jersey statute, or administrative code requiring compliance by the school district.

The Board considered the recommendations outlined in The Road Forward to develop health and safety protocols. The Board will consider all recommended Orders and comply with all mandatory Orders when developing health and safety protocols and reviewing them periodically.

The Board considered the recommendations outlined in The Road Forward to develop the school district's COVID-19 protocols in the following areas and included in corresponding Appendices:

The Road Forward COVID-19 –Health and Safety

Pursuant to N.J.S.A. 18A:7F-9, schools must be in session for 180 days to receive State Aid. The statute requires that school facilities be provided for at least 180 days during the school year. N.J.S.A. 18A:7F-9(b) indicates when a school district is required to close the schools of the district for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive and/or recommendation by the appropriate health agency or officer to institute a public health-related closure, days of virtual or remote instruction commensurate with in-person instruction will count toward the school district's 180-day requirement.

The school district may be confronted with the incidence of COVID-19 positive cases among staff and/or students. If the school district is required to exclude a student, group of students, a class, or multiple classes as a result of possible exposure to COVID-19, while the school itself remains open for in-person instruction, the school district may offer virtual or remote instruction to those students in a manner commensurate with in-person instruction to the extent possible. In circumstances when the school facilities remain open and in-person instruction continues in those classrooms that are not required to quarantine, those days in session will also count toward the school district's 180-day requirement in accordance with N.J.S.A. 18A:7F-9.

The school district anticipates updates to The Road Forward and as such this Policy is subject to review by the Superintendent to ensure compliance with Orders that may arise after Board adoption of this Policy. All revisions to Orders affecting this Policy and corresponding Appendices shall be reviewed by the Superintendent with the Board Attorney, School Physician, and Board of Education, if appropriate. The Superintendent may revise the health and safety protocols included in any Appendix as necessary and appropriate. All students, parents, and staff members will be notified of any changes to school district-developed protocols implemented as a result of this Policy, as appropriate.
