- 3. that the Board approve 2022-2023 budget transfers for the month of November 2022 which are attached and a part of the official record.

4. that the Board approve the attached list of virtual and or in-person Professional Development for the staff indicated for professional improvement or development, as approved by the Superintendent (District funded \$968.30) (Grant funded \$2,000.24) (Title II funded \$593.23) total cost of \$3,561.77.

9. **Whereas**, N.J.A.C.6A:23a-14.12.ii authorizes a district Board of Education to establish, by resolution a Capital Reserve account to be used for improvements to the district's facilities, and

Whereas, this statute permits a Board of Education to appeal to the executive county Superintendent for permission to withdraw, by resolution from the Capital Reserve account, to be used to supplement bids that when received, exceeded the budget estimates, and

Whereas, the bids were for fire alarm, electrical and HVAC improvements to district facilities; all of which are health and safety related projects, and

Whereas, a delay to rebid these projects will likely result in even higher amounts and potentially delay the construction improvements an additional year,

Now, Therefore Be It Resolved, that, upon the approval of the executive county Superintendent of schools, the Board authorize a transfer from the Capital Reserve account to the Capital Outlay Fund in the amount of \$1,119,269.

EXPLANATION: As the Board is aware, there is a backlog for materials and other supply chain issues related to construction projects. This has led to significantly higher costs both for material and labor costs. We recently opened several bids, which came in over budget due to these extenuating circumstances. The Teaneck Public School district seeks County Office approval to transfer funds from its Capital Reserve account to the Capital Outlay Fund. Should the county authorize this transfer, there would remain a balance of \$1,707,485 in this Capital Reserve Account.

10. that the Board reject the bids submitted by Pattman Plumbing for HVAC upgrades in the amounts shown below, for failure to submit a Consent of Surety with the bid documents, which is a fatal flaw that cannot be corrected and thus disqualifies the bidder.

Lowell School	\$372,000
TJMS	\$776,500

EXPLANATION: For compliance purposes, bid documents are reviewed by the Board Attorney. It is the Counsel's opinion that the bids submitted are not responsive as the Statute requires that a Consent of Surety must be submitted with the Bid Bond.

11. that the Board accept and award the bid submitted by Haig's Service Corp. for Fire Alarm Upgrades in the total amount of \$425,000.00 as shown below: Source of funds: 2022-2023 budget, Capital Projects (Bid breakdown sheet attached)

12. that the Board accept and award the bids submitted by Sal Electric for Fire Alarm Upgrades in the total amount of \$1,409,747.00 as shown below: Source of funds: 2022-2023 budget, Capital Projects (Bid breakdown sheet attached)

Be It Further Resolved, that this rate is in effect for the 2022-2023 school year.

EXPLANATION: This route was originally a quote submitted by First Student in late August 2022 effective for the first 2-3 months only to get us started. The original daily cost was @\$600, so it has gone down significantly.

16. that the Board accept a donation from Mr. Danny Reyes of 20 “Ella’s Handwriting Books” for Hawthorne School kindergarten students. The approximate value of the books is \$119.

EXPLANATION: This donation from The Reyes Family, in memory of their beloved daughter Ella, will be used by Hawthorne School kindergarten students to learn and practice their handwriting skills. 19. **Whereas**, the State of New Jersey, in an effort to hire and retain employees in the childcare sector, is offering state licensed providers the opportunity to apply for the \$1000 Hiring and Retention Bonus Grant per child care employee; and

Whereas, funding for the grant is provided by the Federal American Rescue Plan (ARP) and the New Jersey Revitalization Fund in conjunction with the New Jersey Department of Human Services, Division of Family Development; and

Whereas, to be eligible, providers must be state licensed and in good standing with the New Jersey Licensing, Manual of Requirements; and

Whereas, approved providers will be awarded \$1077 per eligible employee of which \$1000 will then be awarded to those employees as a bonus; and the additional funds (\$77) are to offset the employers payroll taxes; and

Whereas, eligible employees include those that have completed specific safety/training courses and required background checks.

Whereas, per the above, the Teaneck's Community Education child care staff (SACC staff) are eligible to receive this \$1000 bonus, per employee, and the district applied on their behalf (*see chart below for number of eligible employees & total award amount*) and have received approval notifications from the State. (see list of Employees attached)

<i>Program</i>	<i># of Employees</i>	<i>Award Amount</i>

Summary of Policy and Regulation 2425 – Emergency Virtual or Remote Instruction Program

Policy Guide 2425 has been revised and Regulation Guide 2425 has been developed to align with the updates to the law provided in N.J.S.A. 18A:7F-9 (approved in June 2020) and restated in an August 17, 2022 broadcast of the New Jersey Department of Education. N.J.S.A. 18A:7F-9 and the Broadcast state the legal requirement that school districts must annually submit a proposed program for emergency virtual or remote instruction (Plan) to the Commissioner.

N.J.S.A. 18A:7F-9 was approved in June 2020 making provisions for virtual or remote instruction to meet the 180-day requirement when schools are closed for a period longer than three consecutive school days due to a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer. Strauss Esmay developed Policy Guide 2425 – Emergency Virtual or Remote Instruction Program and provided it to districts in October 2021. The 2020 statute required the Commissioner of Education to define virtual or remote instruction and establish guidance for school districts. As a result, a new administrative code section, N.J.A.C. 6A:32-13.1 – Virtual or Remote Instruction was adopted by the State Board of Education in July 2022. N.J.A.C. 6A:32-13.1 provides the detailed requirements to be addressed in the district’s proposed virtual or remote program. A school district must annually submit to the Commissioner of Education a proposed program of virtual or remote instruction that meets the Commissioner-established criteria. In accordance with N.J.A.C. 6A:32-13.1(b), the Superintendent shall have the authority to implement the school district’s program of virtual or remote instruction.

On August 17, 2022, the NJDOE published a Broadcast titled “Local Educational Agency Guidance for Chapter 27 Emergency Virtual or Remote Instruction Programs for the 2022-2023 School Year”. The Broadcast restated the legal requirement that school districts must annually submit a proposed program for emergency virtual or remote instruction to the Commissioner. Attached to the broadcast was a guidance document titled “Local Educational Agency Guidance for Chapter 27 Emergency Virtual or Remote Instruction Programs for the 2022-2023 School Year (SY),” which includes an Attestation for the 2022-2023 school year and a LEA Checklist for Virtual or Remote Instruction Programs for the 2022-2023 School Year that identifies components that must be included in the district’s Plan. A school district must have a Board-approved program submitted to the Commissioner by September 30, 2022 and annually thereafter on a date specified by the Commissioner.

Policy Guide 2425 has been revised and Regulation Guide 2425 has been developed to comply with N.J.S.A. 18A:7F-9; the new administrative code, N.J.A.C. 6A:32-13.1; and the August 17, 2022 NJDOE Guidance. The revisions in the existing Policy Guide incorporate some of the provisions in N.J.A.C. 6A:32-13.1 and the new Regulation Guide aligns with the details included in N.J.A.C. 6A:32-13.1. Policy and Regulation Guides 2425 provide the statutory and administrative code requirements for a school district's Plan which is required to be submitted to the Commissioner by September 30, 2022 and annually thereafter.

Policy and Regulation 2425 is not the school district's Plan as the Plan must be developed and be consistent with the statutory and administrative code requirements. Strauss Esmay recommends districts utilize the NJDOE Guidance and Policy and Regulation Guides 2425 in developing their Plan for virtual or remote instruction. Policy and Regulation Guides 2425 must be adopted by the Board and are **mandated**.

2425 EMERGENCY VIRTUAL OR REMOTE INSTRUCTION PROGRAM

The Teaneck Board of Education is committed to providing a high quality educational program, virtually or remotely, in the event the State or local health department determines that it is advisable to close, or mandates closure of, the schools of a school district due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure for more than three consecutive school days, the Superintendent shall have the authority to implement the school district's program of virtual or remote instruction, pursuant to N.J.S.A. 18A:7F-9. In addition, pursuant to N.J.S.A. 18A:7F-9.b. the Commissioner of Education shall allow the district to apply to the 180-day requirement established pursuant to N.J.S.A. 18A:7F-9.a., one or more days of virtual or remote instruction provided to students on the day or days the schools of the district were closed if the program of virtual or remote instruction meets such criteria as may be established by the Commissioner.

The school district's program of virtual or remote instruction shall be in accordance with the provisions of N.J.S.A. 18A:7F-9; N.J.A.C. 6A:32-13.1.; this Policy; and Regulation 2425.

"Remote instruction" means the provision of instruction occurring when the student and the instructor are in different locations due to the closure of the facility(ies) of the Board of Education, charter school, renaissance school project, or approved private school for students with disabilities. The closure of the facility(ies) shall be pursuant to N.J.S.A. 18A:7F-9 or 18A:46-21.1 and for more than three consecutive school days due to a declared state of emergency, a declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure.

"Virtual instruction" means the provision of active instruction when the student and the instructor are in different locations and instruction is facilitated through the internet and computer technologies due to the closure of the facility(ies) of the Board of Education, charter school, renaissance school project, or approved private school for students with disabilities. The closure of the facility(ies) shall

be pursuant to N.J.S.A. 18A:7F-9 or 18A:46-21.1 and for more than three consecutive school days due to a declared state of emergency, a declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure.

The Superintendent of Schools shall submit, with Board approval, the school district's program of virtual or remote instruction to the Commissioner of Education annually. If the Board is unable to complete and submit a proposed program of virtual or remote instruction to the Commissioner in accordance with the timeline established by the Commissioner and the school district is required to close its schools for a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Commissioner of Education may retroactively approve the program.

If provided under the district's program of virtual or remote instruction that has been approved by the Commissioner, student attendance for a day of virtual or remote instruction shall be accounted for in accordance with N.J.A.C. 6A:32-8.4 for the purposes of meeting State and local graduation requirements, the awarding of course credit, and other matters as determined by the Commissioner of Education in accordance with the provisions of N.J.A.C. 6A:32-13.1.(d).

Pursuant to N.J.A.C. 6A:32-13.1(b), if implemented by the Superintendent, the school district's program of virtual or remote instruction shall be provided to an enrolled student, whether a general education student in preschool through grade twelve or a student with a disability aged three to twenty-one. The school district shall provide students with a disability with the same educational opportunities provided to general education students to the extent appropriate and practicable. Related services may be delivered to general education students and students with a disability through the use of electronic communication or a virtual or online platform, as appropriate.

In the event the State or local health department determines it is advisable to close or mandates closure of the schools of the district due to a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Superintendent shall have the authority to implement the school district's program of virtual or remote instruction. The Superintendent shall consult with the Board prior to such decision, if practicable. The Superintendent shall ensure that students, parents, staff, and the Board are informed promptly of the Superintendent's decision.

Summary of Policy 5512 - Harassment, Intimidation, or Bullying

Policy Guide 5512 has been revised to align with the new 2022 NJDOE Model Policy for Prohibiting HIB (which incorporated HIB revisions made in the administrative code in 2017 and the revisions made in the Anti-Bullying Bill of Rights Act (ABR) statute in January 2022) to include all the “Minimum Model Policy Language” and several provisions included in the “Issues for Consideration in Local Model Policy Development” that are consistent with the ABR, the administrative code, and case law to provide additional guidance to school districts in implementing the ABR. The “Minimum Model Policy Language” for each section of the 2022 NJDOE Model Policy addresses the language that must be included in a school district’s policy, while the “Issues for Consideration in Local Model Policy Development” for each section of the 2022 NJDOE Model Policy addresses issues the school district may consider in developing policies and procedures that fit its own unique situation.

The prior version of Policy Guide 5512 was updated in April 2022 and included all the 2017 administrative code revisions and the January 2022 ABR revisions. The 2022 NJDOE Model Policy provided clarification to a few January 2022 ABR revisions that are now included in this updated Policy Guide 5512. Below are a few key issues in this updated Policy Guide 5512:

1. New NJDOE-approved report forms (HIB 338 Form), one for school personnel and one for families and caregivers, are required to be used to report allegations of HIB;
2. A student intervention plan for a student who is an offender in three HIB incidents occurring within one school year may require the student and parent complete a class or training program to reduce HIB behavior;
3. The HIB 338 Form includes a section for the Superintendent, in a district that uses a preliminary determination option, to approve each preliminary determination decision not to complete an investigation. Therefore, the Superintendent is required to approve all preliminary determinations made by the Principal, in consultation with the anti-bullying specialist, not to complete an investigation;
4. The Principal, in a district that uses a preliminary determination option, must notify the parents of the alleged offender and victim with formal notice of the decision not to initiate a HIB investigation. Such decision is appealable pursuant to Board of Education policies and procedures governing student grievances and thereafter to the Commissioner; and

5. The long lists of factors for determining consequences and remedial measures and examples of consequences and remedial measures included in the 2012 Model Policy and included in the existing Policy Guide 5512 have been removed and replaced with the Appendix A lists that were included with the 2022 NJDOE Model Policy. Many of the items are similar.

Teaneck must submit this updated Policy 5512 to the Executive County Superintendent (ECS) within thirty days of Board adoption. Based on the number of HIB Policies that will be sent to the ECS, it will be helpful to the ECS to review a school district HIB Policy that is aligned with the 2022 NJDOE Model Policy. In the event the NJDOE provides additional guidance, Strauss Esmay will revise Policy Guide 5512 accordingly. Policy Guide 5512 must be adopted by the Board and is **mandated**.

- A. Prohibiting Harassment, Intimidation, or Bullying

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff, and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s); adoptive parent(s); legal guardian(s); resource family parent(s); or parent surrogate(s) of a student. When parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

- B. Definition of Harassment, Intimidation, or Bullying

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;

Harassment, Intimidation, or Bullying

2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to their person or damage to their property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or
 - c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

The Board recognizes that bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Recognizing "a real or perceived power imbalance" may assist school officials in identifying harassment, intimidation, or bullying within the context and relative positions of the alleged aggressor and target.

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or remotely activating paging device (N.J.A.C. 6A:16-1.3).

In accordance with the Board of Education's Code of Student Conduct and this Policy, all acts of harassment, intimidation, or bullying that occur off school grounds, such as "cyber-bullying" (e.g., the use of electronic means to harass, intimidate, or bully) is addressed in this Policy.

C. Student Behavior

The Board of Education expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities, with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment, consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the parents and other community representatives, school administrators, school employees, school volunteers, and students of the school district, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and that it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities for helping students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, or bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property, and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and

4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, school employees, volunteers, students, and community representatives, in the development of this Policy.

Pursuant to N.J.A.C. 6A:16-7.1, the Board developed guidelines for student conduct, taking into consideration the nature of the behavior; the nature of the student's disability, if any and to the extent relevant; the developmental ages of students; severity of the offenses and students' histories of inappropriate behaviors; and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent shall annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. The school district will support students who:

1. Walk away from acts of harassment, intimidation, or bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, or bullying to the designated school staff member.

D. Consequences and Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying.

In every incident found to be harassment, intimidation, or bullying, the school Principal, in consultation with appropriate school staff, may apply disciplinary consequences and/or remedial actions, such as the provision of counseling, behavioral interventions, or other measures.

The student intervention plan may include disciplinary consequences and/or remedial actions and may require the student, accompanied by a parent, to satisfactorily complete a class or training program to reduce harassment, intimidation, or bullying behavior. Each student intervention plan must be approved by the Superintendent.

E. Reporting Harassment, Intimidation, or Bullying

The Board of Education requires the Principal at each school to be responsible for receiving all complaints alleging harassment, intimidation, or bullying committed by an adult or youth against a student. All Board members, school employees, and volunteers and contracted service providers who have contact with students, are required to verbally report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and contracted service providers who have contact with students, also shall submit a New Jersey Department of Education-approved HIB 338 Form to the Principal within two school days of the verbal report. Failure to make the required report(s) may result in disciplinary action. The HIB 338 Form shall be kept on file at the school, but shall not be included in any student record unless the incident results in disciplinary action or is otherwise required to be contained in a student's record under State or Federal Law.

The district may not fail to initiate an investigation of harassment, intimidation, or bullying solely because written documentation was not provided. Failing to conduct a harassment, intimidation, or bullying investigation solely because a parent or student did not submit written documentation violates the Anti-Bullying Bill of Rights Act and this Policy. If a parent makes a verbal allegation of harassment, intimidation, or bullying to a district staff member, but does not complete and submit the HIB 338 Form, the staff member or a designee must complete and submit the HIB 338 Form.

The Principal or designee is required to inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. Pursuant to N.J.A.C. 6A:16-7.7(a)2.viii.(2), when providing notification to the parents of all students involved, the Principal or designee shall take into account the circumstances of the incident when conveying the nature of the incident, including the actual or perceived category motivating the alleged offense. The Principal or designee shall keep a written record of the date, time, and manner of notification to the parents.

The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged acts of harassment, intimidation, or bullying to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident. The school district shall provide a person an online means to complete the HIB 338 Form to anonymously report an act of harassment, intimidation, or bullying. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The Principal shall promptly submit a copy of each completed HIB 338 Form to the Superintendent.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, in addition to making the HIB 338 Form available online, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, or bullying or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action. The district also should consider procedures and disciplinary action when it is found that someone had information regarding a harassment, intimidation, or bullying incident, but did not make the required report(s).

[Select Option 1 or Option 2]

[Option 1 – Investigate All Reports

The Board of Education requires a thorough and complete investigation to be conducted for each report of an alleged incident of harassment, intimidation, or bullying. All details of an alleged incident must be populated into the HIB 338 Form. However, completing the form shall not delay beginning the investigation in accordance with the law.

The HIB 338 Form shall be kept on file at the school and will only be added to a student record if the alleged incident is founded, disciplinary action is imposed or is otherwise required to be contained in a student's record under State or Federal law.

Should information regarding the reported incident and the investigation be received after the end of the ten-day period, the school anti-bullying specialist or the Principal shall amend the original report of the results of the investigation to ensure there is an accurate and current record of the facts and activities concerning the reported incident.

The Principal shall proceed in accordance with the Code of Student Conduct, as appropriate, based on the investigation findings. The Principal shall submit the report to the Superintendent within two school days of the completion of the investigation and in accordance with the Administrative Procedures Act (N.J.S.A. 52:14B-1 et seq.). Parents of students who are parties to the investigation shall be provided with information about the investigation, in accordance with Federal and State law and regulation. The information to be provided to parents includes the nature of the investigation, whether the district found evidence of harassment, intimidation, or bullying, or whether consequences were imposed or services provided to address the incident of harassment, intimidation, or bullying. Prior to the hearing, the Superintendent shall confidentially share a redacted copy of the HIB 338 Form that removes all student identification information with the Board. The Board shall conduct the hearing in executive session, pursuant to the Open Public Meetings Act (N.J.S.A. 10:4.1 et seq.), to protect the confidentiality of the students. At the regularly scheduled Board meeting following its receipt of the report or following a hearing in executive session, the Board shall issue a decision, in writing, to affirm, reject, or modify the Superintendent's decision. The Board's decision may be appealed to the Commissioner of Education, in accordance with N.J.A.C. 6A:3, no later than ninety days after the issuance of the Board's decision.

A school administrator who receives a report of harassment, intimidation, or bullying, or who determines a reported incident or complaint, assuming all facts presented are true, is a report within the scope of N.J.S.A. 18A:37-14 and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate harassment, intimidation, or bullying, may be subject to disciplinary action.

The Board also requires the thorough investigation of complaints or reports of harassment, intimidation, or bullying, occurring on district school buses, at district school-sponsored functions, and off school grounds involving a student who attends an approved private school for students with disabilities. The investigation will be conducted by the Board's anti-bullying specialist in consultation with the approved private school for students with disabilities.]

[Option 2 – Principal's Preliminary Determination

Prior to initiating an investigation regarding a reported incident or complaint, the Principal or designee, in consultation with the anti-bullying specialist, shall make a preliminary determination as to whether a reported incident or complaint, assuming all facts are presented as true, is a report within the scope of N.J.S.A. 18A:37-14.

Should the Principal or designee, in consultation with the anti-bullying specialist, determine that a reported incident or complaint, assuming all facts presented are true, is not a report within the scope of N.J.S.A. 18A:37-14, the incident will be addressed through the Board's Code of Student Conduct policy. The HIB 338 Form shall be completed, even if a preliminary determination is made not to conduct an investigation of harassment, intimidation, or bullying because the reported incident or complaint is a report outside the scope of the definition of harassment,

intimidation, or bullying, and must be submitted to the Superintendent. The Principal will provide the parents of the alleged offender(s) and victim(s) with formal notice of the decision not to initiate a harassment, intimidation, or bullying investigation.

The HIB 338 Form shall be kept on file at the school and will only be added to a student record if the alleged incident is founded, disciplinary action is imposed or is otherwise required to be contained in a student's record under State or Federal law.

The Superintendent may require the Principal to conduct a harassment, intimidation, or bullying investigation of the incident if the Superintendent determines that the incident is within the scope of harassment, intimidation, or bullying and shall notify the Principal of this determination in writing. Should the Superintendent require the Principal to conduct a harassment, intimidation, or bullying investigation, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

Additionally, any preliminary determination that finds the incident or complaint is a report outside the scope of N.J.S.A. 18A:37-14 may be appealed to the Board, pursuant to the Board policies and procedures governing student grievances, and thereafter to the Commissioner (N.J.A.C. 6A:16-7.7(a)ix(1) and (a)ix(1)(A)). Should the preliminary determination not to conduct an investigation of harassment, intimidation, or bullying be overturned, the Principal will immediately initiate an investigation of harassment, intimidation, or bullying by referring the matter to the school anti-bullying specialist.

The Board requires a thorough and complete investigation to be conducted for each reported incident or complaint, assuming all facts presented are true, that is determined to be a report within the scope of N.J.S.A. 18A:37-14. The investigation shall be initiated by the Principal or designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school anti-bullying specialist appointed by the Principal. The Principal may appoint additional personnel who are not school anti-bullying specialists to assist the school

anti-bullying specialist in the investigation. Investigations of complaints concerning adult conduct shall not be investigated by a member of the same bargaining unit as the individual who is the subject of the investigation. The Board also requires the thorough investigation of complaints or reports of harassment, intimidation, or bullying, occurring on district school buses, at district school-sponsored functions, and off school grounds involving a student who attends an approved private school for students with disabilities. The investigation will be conducted by the Board's anti-bullying specialist in consultation with the approved private school for students with disabilities.]

H. Responding to Harassment, Intimidation, or Bullying

The Board of Education authorizes the Principal of each school to define the range of ways in which school staff will respond once an incident of harassment, intimidation, or bullying is confirmed, and the Superintendent shall respond to confirmed harassment, intimidation, or bullying, according to the parameters described below and in this Policy. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring that the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district levels or by law enforcement officials. Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term suspensions, N.J.A.C. 6A:16-7.3, Long-term suspensions, and N.J.A.C. 6A:16-7.4, Expulsions.

In considering whether a response beyond the individual is appropriate, school officials shall consider the nature and circumstances of the act; the degree of harm; the nature and severity of the behavior; past incidences or past or continuing patterns of behavior; and the context in which the alleged incident(s) occurred. Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and organizations, to small or large group presentations for fully addressing the actions and the school's

response to the actions, in the context of the acceptable student and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

This Policy and the Code of Student Conduct shall apply to instances when a school employee is made aware of alleged harassment, intimidation, or bullying occurring off school grounds.

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The range of responses to confirmed harassment, intimidation, or bullying acts should include individual, classroom, school, or district responses, as appropriate to the findings from each incident. Examples of responses that apply to each of these categories are provided below:

1. Individual responses can include positive behavioral interventions (e.g., peer mentoring, short-term counseling, life skills groups) and punitive actions (e.g., detention, in-school or out-of-school suspension, expulsion, law enforcement report or other legal action).
2. Classroom responses can include class discussions about an incident of harassment, intimidation, or bullying, role plays, research projects, observing and discussing audio-visual materials on these subjects, and skill-building lessons in courtesy, tolerance, assertiveness, and conflict management.
3. School responses can include theme days, learning station programs, parent programs, and information disseminated to students and parents, such as fact sheets or newsletters explaining acceptable uses of electronic and wireless communication devices or strategies for fostering expected student behavior.
4. District-wide responses can include community involvement in policy review and development; professional development programs; adoption of curricular and school-wide programs, coordination with community-based organizations (e.g., mental health, health services, health facilities, law enforcement officials, faith-based organizations); and disseminating information on the core ethical values adopted by the Board's Code of Student Conduct, per N.J.A.C. 6A:16-7.1(a)2.

Summary of Regulation 7410.01 - Facilities Maintenance, Repair Scheduling, and Accounting

Strauss Esmay previously revised Policy Guide 7410 and Regulation Guide 7410.01 to reflect the State Board of Education relocating administrative code sections from N.J.A.C. 6A:26A to N.J.A.C. 6A:26. There were no substantive revisions when these code sections were relocated with most of the revisions referencing new code citations, which have been updated in Policy Guide 7410 and Regulation Guides 7410 and 7410.01 (discussed in the next section). Policy Guide 7410 is mandated for all school districts and was adopted by Teaneck in/about October 2022.

Regulation Guide 7410 is mandated for all school districts with two or less school buildings. Regulation Guide 7410.01 is mandated for all school districts with three or more school buildings. Regulation Guide 7410.01 provides the long-standing administrative code requirement for a detailed work order system in a district with three or more school buildings. Because the District is comprised of three or more school buildings, Regulation Guide 7410.01 is **mandated** and must be adopted by the Board. Certain sections of Regulation Guide 7410.01 need to be “filled-in” by the District.

Summary of Regulation 9320 - Cooperation with Law Enforcement Agencies

Policy and Regulation Guides 9320 were re-written to align with N.J.A.C. 6A:16-6.2 which governs the development and implementation of policies and procedures for law enforcement operations in a school. Both the Policy and Regulation are mandated, and Policy Guide 9320 was previously adopted by the Board on/about October 2022.

Pursuant to N.J.A.C. 6A:16-6.2(b)13 through 14, all school districts must annually review, revise when appropriate, and adopt a “Uniform State Memorandum of Agreement Between Education and Law Enforcement Officials” (MOA). The MOA provides a much greater level of detail regarding N.J.A.C. 6A:16-6 and all of the requirements outlined therein. Accordingly, some requirements from the MOA are included under section C. of Regulation Guide 9320. This section of Regulation Guide 9320 addresses the requirement of Mandatory Reporting to Law Enforcement.

Policy and Regulation Guides 9320 were re-written to reflect the required code language in N.J.A.C. 6A:16-6.2 and to incorporate the school district’s MOA by reference throughout the Guides. Referencing the MOA, provides school districts greater flexibility to address their MOA annually without having to revise and adopt Policy and Regulation Guides 9320. This also ensures that as long as school districts annually review and adopt the MOA as required by law their Policy and Regulation 9320 will be up to date and accurate. If there are any subsequent changes to N.J.A.C. 6A:16-6.2, Strauss Esmay will revise Policy and Regulation Guides 9320 to reflect those changes. Policy and Regulation Guides 5530 also address requirements from the MOA and is referenced within Policy and Regulation Guides 9320 to ensure all aspects of N.J.A.C. 6A:16-6.2 are fully addressed. Regulation Guide 9320 is **mandated** and must be adopted by the Board.
