

## **Words of Wisdom**

### **By Created by Ms. Brown's Class**

**“If we believe in ourselves and work together, we can accomplish anything and be awesome!”**

This is our class motto in Room 33. We worked together as a team to create it. We say it every day before our morning routine. A class motto makes you work harder. It makes you believe in yourself. It gives you the belief that you can do anything. Sometimes it inspires you. When you work together, you can accomplish more than by yourself. If you believe in yourself, you can imagine anything and that can be awesome! So Hawthorne School, Room 33 encourages you to make your own class or personal motto and recite it every day. And don't forget Hawthorne School, make it a great day or not, the choice is yours!!
