

## Words of Wisdom: Mr. Schaffer's Class

10/28/16

Good morning, Hawthorne School! Today is October 28<sup>th</sup>, 2016. This is \_\_\_\_\_ and \_\_\_\_\_ from Mr. Schaffer's fourth grade class with a few words of wisdom. Has anyone ever told you couldn't do something because you're a girl? Or that you can't like a certain color because you're a boy? In our class, there are girls who play sports and video games, and there are boys who like the color pink. I'll bet the same is true in your class. Sometimes kids try to change their favorite colors and their hobbies so they won't get teased. But no matter what colors and games you like, remember: those are the things that make YOU unique and interesting. So, there's something to think about... Make it a great day or not: The choice is yours!
