II. Title III Improvement Plan Requirements

Section 3122 (b)(2) of the *No Child Left Behind Act of 2001* states that if a state educational agency determines, based on the annual measurable achievement objectives, that an eligible entity has failed to make progress toward meeting such objectives for two consecutive years, the agency shall require the entity to develop an improvement plan that will ensure that the entity meets such objectives. The improvement plan shall specifically address the factors that prevented the entity from achieving such objectives.

III. Title III Improvement Plan Description

School districts that have not met one or more Title III Annual Measurable Achievement Objectives (AMAOs) for two consecutive years must develop a Title III improvement plan that addresses the factors that prevented achievement of the AMAO(s). The school districts should consult with parents, school personnel, and other stakeholders to develop the plan. The improvement plan must include components that:

- 1) Describe the factors that prevented achievement of the AMAO(s).
- 2) Describe instructional strategies and activities designed to improve the academic performance and increase the English proficiency of English learners to meet the AMAO(s).
- 3) Incorporate scientifically-based strategies and methodologies in instructional strategies and activities directed toward English learners to meet the AMAO(s).
- 4) Describe professional development designed to support the instructional strategies and activities provided to English learners by ESL teachers, content and classroom teachers, and resource personnel.
- 5) Describe the timeline and milestones for implementation.
- 6) Evaluate the outcomes stated in the Title III improvement plan.

IV. Guiding Principles for Title III Improvement Plan

Below are principles that will help districts successfully complete each section of the Title III District Improvement Plan.

Hypothesis (Primary Concerns Based on Data Analysis):

1. Review data.
2. Identify areas of strengths and weaknesses in the data.
3. Once areas of strengths and weaknesses are identified, create a hypothesis regarding practices.
4. Identify issues related to the hypothesis to create primary programmatic concerns.

Improvement Goal(s):

Create quality, district goals that are measurable, action-based, and that address the primary concerns.

Step(s) to Meet Goal(s):

Write the school- and grade-level steps that need to be taken to meet the Improvement Goal(s) (including professional development).

Expected Evidence of Improvement:

Establish evidence-based indicators that improvement targets have been met. Examples of indicators may include date and name of test, target population, expected percentage of student improvement, and any other specific evidence tied to goals.

Person(s) Responsible:

Person(s) responsible for the implementation of actions to be taken must be listed.

Timeline:

A concrete timeline must establish the start and frequency of the actions to be taken.

AMAO(s) Missed

Check all that apply

- AMAO 1:** Annual student progress in learning English.
- AMAO 2:** Annual student attainment of English proficiency.
- AMAO 3:** The number or percentage of students meeting progress targets in reading/language arts and mathematics.

Primary Concerns Based on Data Analysis:

- 74 % of ELLs, in the first grade, failed to demonstrate the .5 increase on their composite scores on the ACCESS partially due to low levels of writing proficiency.
- Current ELLs, who took the NJASK in the 2013-2014 school -year, particularly at the elementary school struggled with the informational writing task.

Improvement Goal(s)

1. English language learners will have additional writing opportunities added to the ESL block that will include the use of routine, reflective writing and clear focus on the WIDA writing rubric descriptors.
2. ESL teachers will receive three focused professional development sessions in the area of writing strategies for ELLs.
3. ESL teachers and content areas teachers will continue implementation of the DOE Bilingual scaffolds to support ELLs in their content area classes.

Step(s) to Meet Goal(s)	Expected Evidence	Person(s) Responsible	Timeline
ESL students, grades kindergarten through eight, will be invited to attend the Summer Literacy and Math program, where writing is an area of focus.	Improved grades in content-area classes for incoming first graders during the 1st and 2nd quarter of 2015-2016.	Patricia Dent, Supervisor of Language Arts Literacy and ESL	20 days starting July 2015
